**EPIC Jet Center (BFL) Opens New Facility Late August, 2007**

**A Bakersfield, California Airport Terminal Was Torn Down and Rebuilt Into a New State-of- the-Art FBO**

**Salem, OR - July 11, 2007** – EPIC Jet Center (BFL) offers travelers a high class experience and vast amenities. The new state-of-the-art FBO welcomes customers to visit and experience a whole new dimension of service. The FBO’s lobby features comfortable seating, daily newspapers and satellite television. The pilot lounge has resting quarters that feature shower facilities. EPIC Jet Center's flight planning station is equipped with all the latest technology including WSI Weather and the facility offers WIFI to keep travelers connected.

EPIC Jet Center offers pilots quick turns, Air BP branded fuels, hotel reservations, tie down service, overnight hangar parking and quick, friendly service. All of the line technicians are NATA safety certified. The FBO provides easy on/off access for passengers and pilots, Air BP branded fuels, hotel reservations, tie down service, overnight hangar parking, and courtesy vehicles for crews. All of the line technicians are NATA safety certified. EPIC Jet Center’s team consists of experienced, dedicated and professional individuals.

“We are very excited about our new facility and are looking forward to sharing it with all our customers,” says Chris and Erin Posey, owners. “Our grand opening is planned for August 25<sup>th</sup>, we hope to see everyone there!”
