Landmark Aviation (LAX) Names Air BP as Key Fuel Supplier

Los Angeles based Landmark Aviation (LAX) chooses Air BP to provide fuel services

Salem, Oregon – July, 2008 – Landmark Aviation (LAX) located in Los Angeles, California, has recently contracted Air BP to satisfy their aviation fuel needs. The LAX location has a recently upgraded terminal facility and an expanded ramp operations area.

Dan Bucaro, President and CEO of Landmark Aviation (LAX) states, "We are pleased to have Air BP at our LAX location, and look forward to continuing to grow our relationship with them."

Landmark Aviation (LAX) is part of one of the largest FBO networks in the nation, offering 75 years of experience to each visit at the Los Angeles Airport. A team of qualified personnel provide full FBO and maintenance services 24 hours a day. Additional amenities include a private VIP lounge, flight planning room with WSI pilot brief pro, charter and free internet access. For more information about Landmark Aviation Services visit: www.landmarkaviation.com.

"We are excited at the opportunity to supply Landmark at LAX. This location provides another high quality FBO to the growing network of Air BP FBOs." Steve McCullough, VP, General Aviation Air BP Aviation Services.
