Steve Farkas Joins Air BP Tech and Ops Team

Steve Farkas to Provide Technical Support to Air BP FBOs Located in Michigan and Ohio

Salem, Oregon – May 8, 2007 – Air BP announces that Steve Farkas has accepted the position of Regional Technical Representative for the Eastern Territory including Michigan and Ohio. Steve brings more than 25 years of aviation technical experience to his position and will support Air BP branded dealers in the Eastern Territory with technical and safety initiatives. Before his employment with Air BP, Steve worked for Airnet as an Airline Support Services Manager.

“We are happy to have Steve as a part of our team,” says Dave Ware, Technical and Operations Manager for Air BP. “His technical experience and knowledge about the aviation industry will be a great asset to our customers in the Eastern Territory.”

Steve will reside in the Columbus, Ohio where he will be a viable resource for Air BP FBOs in the Eastern Territory.

###

Air BP is a leading global marketer of aviation fuels, related products and support services. They provide aviation fuel, lubricants and related services at more than 1,600 locations in 90 countries around the world.
