New Million Air Location Opens in Charleston (CHS)

Ken Allison, President and CEO of Cincinnati-Based Business Group of Million Air FBO Franchises Opens Seventh Location at Charleston, SC (CHS).

Salem, OR - July 5, 2007 – After months of construction the new Million Air Charleston located in South Carolina is open! CHS is a great alternative to flying into JZI.

The multi-million dollar jet center features a first-class passenger terminal, spacious hangar, meeting rooms and offices for business travelers and base customers. The state-of-the-art facility has an atrium lobby with multiple flat screen televisions and a full view of the ramp. Crews will also experience convenient access from the taxiway to the ramp. In addition to a technologically advanced conference room, the general aviation jet center is equipped with wireless internet. Rental cars are on-site, and crews are provided complimentary luxury vehicles. Million Air Charleston proudly serves Air BP fuels.

"Charleston fit perfectly into what we were looking for," Allison said. "We wanted to be on the East Coast and in a getaway type destination."

Allison's company also operates Million Air franchise locations at Asheville, NC (AVL), Columbus, OH (CMH), Lafayette, LA (LFT), Cincinnati, OH (LUK), New Orleans, LA (NEW), and Chicago-Midway (MDW).

Air BP is a leading global marketer of aviation fuels, related products and support services. They provide aviation fuel, lubricants and related services at more than 1,600 locations in 90 countries around the world.
