Edwards Jet Center (BIL) Elects Air BP as Their Preferred Fuel Supplier

Edwards Jet Center Joins Air BP Family

Salem, Oregon – May, 2008 – Edwards Jet Center (BIL), located in Billings, Montana, has recently selected Air BP as their primary fuel supplier. Joining the Air BP branded network of dealers, Edwards Jet Center (BIL) will have access to safety training programs, marketing capabilities, and cost savings programs.

“We could not be more excited about our new partnership with Air BP,” said Robb Bergeson, General Manager of Edwards Jet Center. “The benefits associated with our new alliance to Air BP will be great for both our customers and Edwards Jet Center.”

Edwards Jet Center (BIL) operates from Logan International Airport and offers an array of first-class services. This full service FBO includes a 24 hour line crew, 25,000 square feet of heated hangar space, customized air charter transportation, maintenance services and air ambulance services. BIL is also home to Montana's only full-line Cessna Dealer. For more information about Edwards Jet Center visit: www.edwardsjetcenter.com

Air BP will assist Edwards Jet Center (BIL) in a full range of services such as fuel distribution, marketing capabilities and safety training programs. Air BP's primary goal is to collaboratively grow Edward Jet Center's business of providing the General Aviation Industry with first-class services.

“We are delighted to be affiliated with the people at Edwards Jet Center and the type of facilities and services they provide to the aviation community. We are excited about the future of aviation in Billings and look forward to helping Edwards Jet grow their business.” explains Steve Highet, Air BP's Manager of General Aviation Sales.
